FOR IMMEDIATE RELEASE

Soprafina Gallery is pleased to announce an exhibit of recent work by Michael Palmer. This exhibition presents his distinct views of the imagined landscape and more.

Michael Palmer received his BFA from the University of New Hampshire and also studied at the Universities of Kentucky, Kansas City and Hawaii. He has been painting professionally for over fifty years and is listed in the "Who's Who in Art". He has exhibited in many museum shows and galleries throughout the U.S. and Canada.

His work is in the permanent collections of several museums, including the Seattle Museum of Art, the U.S. Embassy, Moscow, Russia, DeCordova Museum of Art and Colby College Museum as well as many private collections which include the Rockefeller Family Collections, the Gertrude Mellon Collection and the International Bankers Art Collection.

Mr. Palmer is known for systematically combining paint and ink: although he begins a painting without any preconceived plan, he almost always finishes it with minute drawings in ink.

This exhibition will be at Soprafina Gallery from July 6th to July 28th. The gallery hours are Wednesday through Saturday, 11:00 am to 5:00 pm. Please call Frank or for more information at 617.728.0770.
